**AMENDED DECLARATION OF PETER C. LEWIS IN SUPPORT OF THE DEBTORS'  
APPLICATION FOR ENTRY OF AN ORDER AUTHORIZING THE RETENTION AND  
EMPLOYMENT OF SCHEEF & STONE, L.L.P. AS COUNSEL TO THE BOARD OF  
DIRECTORS OF CORE SCIENTIFIC, INC., EFFECTIVE AS OF THE PETITION DATE**

I, Peter C. Lewis, under penalty of perjury, declare as follows to the best of my knowledge, information, and belief:

1. I am an attorney admitted to practice in the State of Texas, and I am a partner with the law firm of Scheef & Stone, L.L.P. (“**Scheef & Stone**”). Scheef & Stone is a law firm of approximately sixty (60) attorneys with its principal office in Dallas, Texas. There are no disciplinary proceedings pending against me.

2. I am duly authorized to make this declaration (the “**Declaration**”) on behalf of Scheef & Stone in support of the Application (the “**Application**”) of the Debtors for authority to retain and employ Scheef & Stone as counsel for the Board of Directors of Core Scientific, Inc.

---

1 The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Core Scientific Mining LLC (6971); Core Scientific, Inc. (3837); Core Scientific Acquired Mining LLC (N/A); Core Scientific Operating Company (5526); Radar Relay, Inc. (0496); Core Scientific Specialty Mining (Oklahoma) LLC (4327); American Property Acquisition, LLC (0825); Starboard Capital LLC (6677); RADAR LLC (5106); American Property Acquisitions I, LLC (9717); and American Property Acquisitions, VII, LLC (3198). The Debtors’ corporate headquarters and service address is 210 Barton Springs Road, Suite 300, Austin, Texas 78704.

(“Board”), effective as of the Petition Date, under the terms and conditions set forth in the Application. I submit this Declaration in accordance with sections 327(e) and 328(a) of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016(b), and Local Rule 2014-1. Except as otherwise noted, I have personal knowledge of the matters set forth herein.

**Scheef & Stone’s Qualifications**

3. Based on the circumstances, the Board has determined that it is necessary to engage counsel independent from the Debtors’ legal counsel for it to execute faithfully its responsibilities and duties in connection with these chapter 11 cases. In this regard, the Board has determined to retain the law firm of Scheef & Stone.

4. Scheef & Stone has extensive experience advising, amongst others, officers, directors, managing members, and managing partners on various matters in the exercise of their fiduciary duties, including the exercise of such duties in connection with restructurings, chapter 11 cases and/or related issues.

5. Furthermore, attorneys from Scheef & Stone have extensive experience and knowledge in the area of business reorganizations under chapter 11 of the Bankruptcy Code, including the representation of companies (public and private), municipalities, and/or directors and/or officers, in connection with restructurings, reorganizations, and Bankruptcy Code cases, including, e.g., the following matters:

- i. *In re: AMR Corporation, et al.*; Case No. 11-15463; United States Bankruptcy Court for the Southern District of New York (counsel to City of Fort Worth, Texas & AllianceAirport Authority, Inc.);
- ii. *In re: Energy Future Holdings, Corp., et al.*; Case No. 14-10979; United States Bankruptcy Court for the District of Delaware (assisted as co-counsel to lead counsel on certain discrete matters);

- iii. *In re: Caprock Oil Tools, Inc.*; Case No. 17-80109; United States Bankruptcy Court for the Southern District of Texas (counsel to debtor); and
- iv. *In re: PFO Global, Inc., et al.*; Cause No. 17-30355; United States Bankruptcy Court for the Northern District of Texas (counsel to officers and directors).

**Scope of Services**

6. Subject to further order of the Court, the Debtors request authority to retain and employ Scheef & Stone to provide legal services to the Board, including representing the Board in connection with the review, investigation, deliberation and other actions of the Board related to any contemplated or proposed financing, debt or equity issuance, or other transaction related to any in or out of court restructuring or other strategic transaction involving the Company or its business operations, subsidiaries and/or affiliates (the “**Matters**”).

**Professional Compensation**

7. Subject to this Court’s approval and in accordance with sections 330 and 331 of the Bankruptcy Code, the applicable Bankruptcy Rules, the Local Rules, and other procedures that may be fixed by the Court, Scheef & Stone will be compensated on an hourly basis and will receive reimbursement of actual and necessary expenses incurred in connection with its representation of the Board in these chapter 11 cases. Furthermore, Scheef & Stone intends to apply for compensation for professional services rendered in connection with these chapter 11 cases, subject to this Court’s approval, and in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable orders issued by this Court, on an hourly basis, plus reimbursement of all actual, necessary expenses and other charges incurred by Scheef & Stone in connection with these chapter 11 cases.

8. Scheef & Stone will bill at its standard hourly rates in effect when services are

provided. Scheef & Stone's current hourly rates for matters related to or similar to these chapter 11 cases range as follows:

Billing Category	Hourly Rates Range
Partners	\$400.00 - \$725.00
Associates	\$290.00 - \$400.00
Paraprofessionals	\$150.00

9. The Debtors and the Board believe that these rates are consistent with market rates for comparable services and understand that Scheef & Stone sets its hourly rates on an annual basis after consulting with various independent market sources. These rates are set at a level designed to compensate Scheef & Stone fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses.

10. While the foregoing hourly rates were effective as of January 1, 2023, Scheef & Stone's billing rates are subject to periodic adjustments (typically in January of each year) to reflect economic and other conditions. This annual adjustment is in accordance with the firm's ordinary practice. As discussed herein, Scheef & Stone was retained by the Board on December 13, 2022, and during the prepetition period, Scheef & Stone's billed the Board using its hourly rates in effect at that time. Scheef & Stone billing rates have not changed or increased between December 13, 2022, and the date hereof, except to reflect annual rate increases and/or as disclosed herein.

11. Subject to this Court's approval, Scheef & Stone will also bill for, and maintain detailed records of, actual and necessary costs and expenses incurred in connection with the legal services described above. Consistent with Scheef & Stone's policy regarding its other clients, Scheef & Stone will charge for all other services provided and for other charges and disbursements incurred in the rendition of such services. These charges and disbursements include, among other things, costs for photocopying, telephone calls, travel, travel-related expenses, computerized research, messengers, couriers, and postage. From time to time, Scheef & Stone's employees may be required to work after business hours and during the weekend. Scheef & Stone generally invoices clients for reasonable meals and transportation to or from the office related to work performed during such time on behalf of the applicable client. If the Local Rules or the other applicable orders and procedures of this Court do not permit reimbursement of any of the foregoing expenses (or provide for additional or different requirements in respect thereof), the Debtors respectfully request that this Court waive any per se prohibition or requirements other than that such expenses be actual and reasonable.

**Statement Regarding U.S. Trustee Guidelines**

12. The following information is provided in response to the request for additional information set forth in section D(1) of the Revised UST Guidelines:

**Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

**Response:** No. The hourly rates set forth in the Application are consistent with the rates that Scheef & Stone charges other comparable chapter 11 clients, and the rate structure provided by Scheef & Stone is appropriate and is not significantly different from (a) the rates that Scheef & Stone charges in other non-bankruptcy representations or (b) the rates of other comparably skilled professionals for similar engagements, except to the extent that Mr. Lewis' rate was increased to his then projected 2023 rate.

**Question:** Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

**Response:** No.

**Question:** If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and reasons for the difference.

**Response:** As disclosed above, pursuant to the terms of the Scheef & Stone Engagement Letter, Scheef & Stone has represented the Board since December 13, 2022, as described herein. Scheef & Stone's billing rates have not changed or increased between December 13, 2022, and the date hereof, except as set forth above and/or for annual year end increases.

**Question:** Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

**Response:** Not yet.

**Compensation Received by Scheef & Stone from Core Scientific**

13. As set forth above, Scheef & Stone has represented the Board since on or about December 13, 2022, in connection with its restructuring and pending chapter 11 cases. A copy of the Scheef & Stone's Engagement Letter is attached hereto as **Exhibit B**. As set forth herein, Scheef & Stone received a retainer in the aggregate amount of seventy-five thousand and 00/100 Dollars (\$75,000.00) (the “**Retainer**”) to cover compensation for fees and reimbursement for expenses related to such services in accordance with the Scheef & Stone's Engagement Letter and its customary billing practices in the aggregate.

14. In addition, prior to the Petition Date, Scheef & Stone drew on the Retainer in the amount of sixteen thousand four hundred eighty and 00/100 Dollars (\$16,480.00).

**Scheef & Stone's Disinterestedness**

15. Section 327(e) of the Bankruptcy Code requires that proposed counsel “not represent or hold any interest adverse to the debtor or to the estate with respect to the matter on which such attorney is to be employed.” 11 U.S.C. §327(e). As set forth in the Lewis Declaration, Scheef & Stone conducted a thorough conflicts analysis with respect to individuals and entities that may be parties in interest in these chapter 11 cases. To the best of his knowledge, information, and belief, neither Scheef & Stone, nor any Scheef & Stone’s professional working on or connected to the Scheef & Stone’s engagement has a conflict with the Debtors, their creditors, or any other party in interest in these chapter 11 cases, or their respective attorneys or accountants.

16. In connection with its proposed retention by the Board, Scheef & Stone, undertook a thorough review of its computerized database (the “**Conflicts Database**”) to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors.

17. In connection with preparing this Declaration, I submitted to the Conflicts Database the names of the individuals and entities identified on **Schedule 1** (all such parties, collectively, the “**Searched Parties**”). As may be necessary, Scheef & Stone will supplement this Declaration if it becomes aware of a relationship that may adversely affect Scheef & Stone’s retention in these chapter 11 cases or otherwise should be disclosed.

**Scheef & Stone's Connections with Parties in Interest  
in Matters Unrelated to These Chapter 11 Cases**

18. After a review of the reports generated by the firm’s conflicts check system, no attorney at Scheef & Stone presently represents any of the Searched Parties, except as detailed below:

a. Set forth on Schedule 2 annexed hereto is a list of those Searched Parties from Schedule 1 that Scheef & Stone either (a) currently represents or (b) has represented (or represents/represented a related party thereto) in matters wholly unrelated to these chapter 11 cases.

19. As part of its diverse practice, Scheef & Stone appears in cases, proceedings, and transactions involving many different professionals, including attorneys, accountants, financial consultants, and investment bankers, some of which may represent claimants and parties in interest in the Debtors' chapter 11 cases. In addition, Scheef & Stone may have in the past or may currently be representing other professionals involved in these chapter 11 cases in matters unrelated to these chapter 11 cases. Based on our current knowledge of the professionals involved, Scheef & Stone does not represent or have a relationship with any attorneys, accountants, financial consultants, or investment bankers that would be materially adverse to the Board, the Debtors, or their estates on matters upon which Scheef & Stone is to be employed and none are in connection with these chapter 11 cases.

20. Scheef & Stone and certain of its partners, counsel, and associates also may have in the past represented, may currently represent, and likely in the future will represent creditors, equity security holders, or other parties in interest in these chapter 11 cases in connection with matters unrelated (except as otherwise disclosed herein) to the Board, the Debtors, and these chapter 11 cases. Scheef & Stone believes that its representation of such creditors, equity security holders, or other parties in interest in such unrelated matters will not affect its representation of the Board in these proceedings.

21. Neither I nor Scheef & Stone has represented or will represent any entity or person in connection with these chapter 11 cases, and neither I nor Scheef & Stone will accept any fee from any other party or parties in these chapter 11 cases, except as otherwise described

herein.

22. Based on the conflicts search conducted to date and described herein, to the best of my knowledge, neither I, Scheef & Stone, nor any partner, counsel, or associate thereof, insofar as I have been able to ascertain, have any connection with the Board, the Debtors, their creditors, or any other parties in interest, their respective attorneys and accountants, the U.S. Trustee, any person employed with the U.S. Trustee, or any bankruptcy judge currently serving on the United States Bankruptcy Court for the Southern District of Texas, except as disclosed or otherwise described in Schedule 2. None of the representations described herein are materially adverse to the interests of the Board, the Debtors, or the Debtors' estates. Pursuant to section 327(c) of the Bankruptcy Code, Scheef & Stone is not disqualified from acting as the Board's counsel as a result of such representation.

23. Additionally, to the best of my knowledge and information based on the responses received, no member or employee of Scheef & Stone holds any of the Debtors' debt or equity securities nor is any member or employee of Scheef & Stone an insider of the Debtors.

24. Scheef & Stone will periodically review its files during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Scheef & Stone will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed on this 21st day of January, 2023.

/s/ Peter C. Lewis
